LANE CHOICE: TS/TD low dial. ST/SS coin flip all rounds. All other sportsman classes by final qualified position for Rd 1. Place final qualifying position on front windshield and circle it. Coin flip for lane choice once ladder is established. ET (see below).

PAIRINGS: HR, SR, QR random for Rd 1 only. All others laddered from Rd 1 on. ET (see below)

CROSTALK: Used in TS & TD & Box ET

ET CLASS: Box (0 - 12.99) / No-Box (9.00 - 19.99). Final Box vs No-Box for winner/runner-up money and contingencies. Each winner receives an Iron Man! Lane Choice - determined by lane you pull in. Odd number lanes = left lane, even number lanes = right lane. If only one lane of cars left, first car in pair gets choice. Laddered at 8 or less. Laddered cars determine lane choice among themselves. Bye Runs - 1st round random pull from tower. All other rounds from previous round best reaction time until laddered. In case of tie, closest to dial without break out. Byes do not carry over.
